SHERIFF DAVID L. CLAGUE

PRESS RELEASE

May 1st, 2013

The Knox County Sheriff's Department, with assistance from the Federal Bureau of Investigation Laboratory and the National Missing and Unidentified Persons System (NamUS), has established an updated profile and facial approximation of "Jane Doe", the unidentified skeletal remains found in the East Galesburg Brickyards in 1996.

The Knox County Sheriff's Department, realizing that the public is the key to identifying Jane Doe, has established the "Jane Doe Tip Line", (309) 345-6790.

Photos, press releases, printable flyers, investigation information, case updates, media packets and other information are available for viewing and download on the *Unsolved Crimes* page at www.knoxcountysheriffil.com, a webpage dedicated to the Jane Doe investigation.

Anyone with information on this investigation or possible leads to the identity of Jane Doe is urged to call the Tip Line or email: tips@knoxcountysheriffil.com.

The Knox County Sheriff's Department is particularly interested in speaking with the following people at this time:

- Former employees of the Galesburg State Research Hospital/Galesburg Mental Health Center, especially between 1980 and the date the facility closed.
- Dental Professionals who may have provided dental care to residents of this facility between 1980 and the date the facility closed.
- Anyone associated with a charitable or other organization that provided food, clothing or shelter to homeless or disadvantaged people between the mid 80's to mid 90's.
- Anyone with a female friend or family member missing between 1980 and 1996.
